

We're Smiling Behind Our Masks

Dr. Bahu

Dr. Bahu grew up in the metro Detroit area and did his residency in Flint, MI after attending Wayne State University. He completed a specialized training program in New York City to further refine his skills in treating shoulder and sports injuries. In his spare time, Dr. Bahu has been learning to play the guitar and enjoys rock music. He and his wife have 4 children.

Michael Pointe is a certified Physician Assistant who has been working closely with Dr. Bahu since 2018. He assists in the office and the operating room providing pre and postoperative care to patients. When Mike is not in the office, he enjoys camping and hiking. He is an avid sports fan.

(Left to Right: Dr. Bahu, Ian, Layla, Alex and Mike)

Ian has been working with OSOC since 2017. You may not see his smiling face in the office, but you may hear his voice through Dr. Bahu's computer. He is working behind the scenes with Dr. Bahu to help document your visit and make sure you have everything you need when you leave the office. In his spare time, Ian enjoys golf and fishing.

Alex joined the OSOC team in 2019. You may have seen her smiling face at the front desk. She recently stepped up to the challenge of surgery scheduling for Dr. Kassab and Dr. Bahu and works hard to make sure your surgery process is as smooth as possible. Alex is the proud owner of a Bearded lizard named Venkman and has 2 children. She also enjoys cross stitching in her spare time.

Layla is a skilled MA who started working with Dr. Bahu in 2020. She will greet you when you arrive in the office and bring you back to an exam room for your appointment. She is a devoted wife and mother to 3 kids. She also has 2 fur babies- Bear and Coco. Layla loves to make people laugh and cooks in her spare time.
